# Introduction

## Letter from Sr. Mary McGreevy & Casey P. Murphy

Dear Alumni and Friends of Bourgade Catholic,

Bourgade Catholic High School is deeply grateful to the people, including faculty, Alumni, students, staff, and School Advisory Board members who gave so generously of their time, insight, and resources through the 2009 – 2010 school year. This generosity creates an immediate and personal impact enriching the lives of every student, family and faculty member associated with Bourgade Catholic.

This year's Annual Report highlights the accomplishment and progress made as a result of your strong belief in the mission of Bourgade Catholic High School. August 210 we welcomed 132 young men and women into Bourgade Catholic. One of the largest freshmen classes in this decade. Two Bourgade Catholic coaches, Jinhee Huff (Softball) and Greg Henke (Baseball) were named Coaches of the Year for Metro II A. Our Active Bourgade Catholic Club serves at St. Vincent DePaul kitchen twice a month. Our school built three homes for less fortunate families in Mexico. Two seniors were named National Merit Spanish scholars and the class of 2010 received a record amount of scholarship money \$6,308,860, going to 49 of the graduating students. It is clear that Bourgade Catholic continues to make progress.

We remain a community that is committed to the lasting values of Catholic education. We believe it gives our graduates the strongest foothold possible for a successful future. With that commitment, though, comes the ever-growing challenge of making attendance at Bourgade Catholic a reality for all who desire a Catholic education. It takes a great deal of resources to provide the level of education and range of experiences that make a Bourgade Catholic education what it has developed into over the last 49 years. As we prepare to celebrate the school's 50th anniversary, we need your support by making a gift to our Learn. Lead. Serve. Annual Giving program. Your commitment to the school's core values – becoming spiritually centered Christians, lifelong learners, effective communicators, and globally-aware citizens allows our students, faculty, staff, and parents to live our mission.

Thank you to all listed on these pages. More importantly we invite you to come to our campus and walk with us, you then experience the power of your support to our young people who remain committed to linking learning and scholarship with leadership and service. This connection is so vital in the life of our Church. Our people need to have the opportunity to experience this goodness of our Church.

May God bless each of you and may you share generously in His Peace and grant that to others.

With Gratitude,

Sr. Mary McGreevy  
Principal

Director of Advancement

# Serve

# Transformative Education

Bourgade Catholic High School strives to be a student-centered learning community where each unique individual is welcomed and encouraged to grow in his or her relationship with God, others and a constantly changing world. Enriched by faith and the Christian tradition, we are committed to providing a rigorous academic program that prepares students of all learning styles for higher education. Our faculty embraces innovative methods to educate; our students continue to master the skills necessary for success in life.

## Determination & Hard Work Pays Off for Class of 2010

Preparation, attention to detail, and hard work paid off for forty-nine members of the Class of 2010. Based on their outstanding academic record, community service, and involvement in extracurricular activities at Bourgade Catholic, these students earned a record \$6,308,860 in scholarship monies to attend college upon their graduation.

## BC Launches Eaglevision

Eaglevision, a BC student run news program, began during the 2009-10 school year. Under the direction of Mr. Kevin Woods, 13 students produced five-minute taped announcements that aired every Tuesday and Thursday before lunch. Eaglevision provides students the opportunity to get real life experience with new technology and equipment, spend time on camera, and learn the many skills associated with broadcast journalism. The Eaglevision Team utilizes the Media room in the Student Services Building, a product of the Faith in the Future campaign.

## Work Study Program Assists Students & Bourgade Catholic

A new Work Study program, introduced to Bourgade Catholic during the school year, provides students the opportunity to take an active role in fulfilling the financial responsibility for their tuition and give back to the Bourgade Catholic community in a positive and constructive manner. Before or after school, students assist the administration and staff by cleaning classrooms, picking up litter, washing windows, mopping floors and other activities to help keep Bourgade Catholic's campus exceptional.

## Excellence for BCCHS Band

Our BCCHS Concert Band received an "Excellence" ranking when performing in the Arizona Band and Orchestra Directors 2010 Area Concert Festival. This is the second highest ranking possible and marks the highest score the Concert Band has ever received.

## National Merit Scholars

Congratulations to Seniors Rodrigo Silva and Joshua Gonzales, National Merit Scholarship Commended Students. Both scored in the top 5 percent in the country on their PSAT tests (out of 1.5 million students who took the test). Joshua was also named a National Hispanic Scholar. Congratulations!

## Eagles Eyrie

The Eagle's Eyrie, Bourgade Catholic's student published newspaper, was awarded First Place by the National Scholastic Press Association in the 2009-2010 academic year. NSPA also awarded a Mark of Distinction for Leadership to The Eagle's Eyrie. Cori Zimny, 2010 graduate, served as Editor-in-Chief last year, Seniors Danielle Bryant and Adilene Rodriguez, sophomore Susan Hidalgo, and cartoonists Kaitlen Smith and Brenna Jackson were also major contributors to the newspaper and to its winning these awards.

# Honor Roll Donors

For all those associated with us, BC's school community will ignite an energy of spirit and pride that calls us to Learn, Lead, and Serve. This is clearly demonstrated by the tremendous support the school has received from our community. Bourgade Catholic would like to recognize the following individuals, organizations, and companies for their philanthropic leadership during the 2009-10 school year. Your dedication to the mission and vision of Bourgade Catholic is deeply appreciated.

# Catholic Identity

BCHS is a faith-filled community, a place where each student is encouraged, for the present and the future, to develop an understanding of the needs of the community and to recognize his or her role in building the Body of Christ. Bourgade Catholic students understand they are called to use their education and faith to transform the world. It inspires our community to make an impact both locally and globally, and extends from the kitchen of St. Vincent de Paul all the way to the impoverished neighborhoods of Mexico.

Bourgade Catholic students continue to make an impact locally when the Active Bourgade Christian group travels to St. Vincent de Paul every 2nd and 4th Monday of each month. The ABC group assists in a variety of ways, including the serving of warm meals to families in the St. Vincent de Paul family dining room.

„If you think of Bourgade Catholic... as a giant machine, then the Mexico Mission trip would be one of those hidden gears tucked away in the middle of our contraption. While it occasionally goes unnoticed, it's vital to the engine that is Bourgade Catholic, and it's constantly in motion—long after these students return back to campus...Most high school students sit in a classroom and talk about the mission of their school. Ours live it.”

*Casey Murphy, Advancement Director, on the 2010 Mexico Mission experience*

For the 12th consecutive year, Bourgade Catholic High School was the top school with participation in the Nolan Ryan Division of the United Blood Drive Challenge. The school was recognized in the pre-game show of the Arizona Diamondbacks game at Chase Field last spring, receiving our 12th banner to add to the collection in Tepsic Gymnasium. Bourgade Catholic is the only school in all of Arizona with the complete collection.

# Athletic Excellence

Bourgade Catholic Athletics soared higher than ever during the 2009-2010 school year, riding a wave of success never seen before on campus. The list of accolades include a multitude of individual awards, exceptional team accomplishments, and impressive recognition from the Arizona Interscholastic Association.
