

Meet Will Curran, Bourgade Catholic High School Class of 2008. Will is our February Alum of the Month, and we'd like to recognize him for his outstanding success as a young entrepreneur!

Will sprung into Catholic education at St. Francis Xavier Grade School and then went on to attend Bourgade Catholic High School. After graduating from BCHS in 2008, Will attended ASU and became immersed in the young, Tempe environment. It was the very environment that would launch him to the next level of his career.

After a rebranding in 2012 of Arizona Pro DJs, Will's first company, a new adventure was born. Will currently serves as founder, owner, and president of Endless Entertainment, a technical event production company for some of the biggest events and parties around the country. With an extensive client list, Endless has put on events such as the Anheuser-Busch #UpForWhatever parties and the Fiesta Bowl New Year's Block Party, which had over 100,000 people in attendance! Will has truly plunged himself into the business, but it didn't happen overnight.

While at Bourgade Catholic, Will acted as co-captain for the varsity soccer team his junior and senior years. He also participated in track and field for three out of his four years. On top of all his involvement inside and outside of the classroom, it was Will's his passion for DJ'ing during the mid-high school years that kicked off his journey...starting with a Golden Eagle school dance.

Since Will's first DJ event in 2006, he has left a trail of accomplishments. He has been recognized in numerous publications and even won ASU's Edson Student Entrepreneur Initiative grant two years in a row. Other recognitions include Arizona Republic's *35 Entrepreneurs Under 35* list and being named Inc. Magazine's *Coollest College Startup in America*. Will has truly gone above and beyond as a young entrepreneur.

When I asked Will if any of his success could be contributed to his student experience at Bourgade Catholic High School, he responded, "Oh absolutely. I think my character was really developed by BCHS. For example, one of our company core values is Selfless Service. I think that this selflessness was developed by my Catholic education." Will added that it was his first DJ event at BCHS that kicked off AZ Pro DJs, and, without that, he's not sure where he would be today. But it wasn't just the value of selflessness and memories of his early DJ'ing days that Will took with him from BCHS; he also took a high school friend! Fellow class of '08 alum, Tony Werner, currently operates as a stagehand at Endless Entertainment.

A huge congratulations to Mr. Will Curran on his accomplishments. On behalf of Bourgade Catholic High School, we are proud of your success and excited to see where the future takes you!
