THE CREST OF BOURGADE CATHOLIC HIGH SCHOOL

The Crest of Bourgade Catholic High School is a historical Bourgade Catholic High School symbol. It encompasses several aspects unique to the school. The Academic Crest displays our primary title, our founding year, and our city and state locations in the outer portion of the logo.

The phoenix rising from the flames is a traditional symbol of the resurrection.

The AM monogram is a symbol located on the upper left hand corner of the shield in the interior of the crest. It consists of the intertwined letters A and M. This symbol is called **Auspice Maria**. It is a monogram associated with the Blessed Virgin Mary. Auspice Maria is Latin for "Under the protection of Mary" and is commonly found in religious art, in churches, and inscribed in jewelry.

The star and the symbol for Auspice Maria is the logo on the crest of the Marist priests who were the founding order.

An open book is found on the upper right hand corner of the shield in the interior of the crest. The open book is a traditional symbol of knowledge and intellectual development.

The anchor located in the center of the lower part of the shield is a symbol of religious steadfastness. It is also a traditional symbol for hope. *Note: The anchor with a rope is also a traditional symbol of the Navy. The original mascot for Bourgade Catholic High School was the Blue Angels who are the United States Navy's flight demonstration squadron. The use of this symbol in the school crest incorporates both meanings.*

Maria spes sapientium is the Latin text at the bottom of the shield. The translation of this text, Mary hope of the wise, has become the intercessory ending to each prayer at school.

Mary, hope of the wise. Pray for us!

I. INTRODUCTION

Welcome to Bourgade Catholic High School, home of the Golden Eagles! We are proud of our school and we invite students and parents to become interested and active members of the school community. For purposes of consistency and fairness, the philosophy, policies, and procedures stated in the Student-Parent Handbook are adhered to in academic and disciplinary situations throughout the year. A careful reading and understanding of the Handbook, therefore, is a valuable and necessary benefit to students and their parents.

II. ACADEMIC INFORMATION

Classroom instruction is delivered in a block schedule. The normal class load is seven classes. The assistant principal, with final oversight from the principal, approves all choices of texts for classroom instruction. Questions pertaining to textbook or supplemental materials used to enhance the curriculum should first be addressed to the classroom instructor before contacting the assistant principal.

Because we are always learning, BCHS encourages student self-advocacy in their academic growth. To achieve this end and aligned with our mission of assisting students in discovering and developing their God-given potential, the following protocol should be adhered to when bringing an academic grievance to the school:

1. The student speaks to the teacher.
2. The student and her/his parent(s)/guardian(s) have a conference with the teacher.
3. A parent/student conference involving the student, parent(s), teacher(s), and the dean of students/assistant principal (as is appropriate) is held.
4. The matter is presented to the principal.

A. Graduation Requirements:

Students must earn 25 credits in order to graduate					
Theology	4 credits	World History	1 credit	Electives	3 credits
English	4 credits	US/AZ History	1 credit	World Lang.	2 credits
Mathematics	4 credits	Government	0.5 credit	Total Credits 25	
Science	3 credits	Economics	0.5 credit		
Phys. Ed.	1 credit	Fine Arts/CTE	1 credit		

B. Honors / AP / Dual Enrollment Classes

Placement in honors/Advanced Placement/dual enrollment classes is made based on student interest, counselor recommendation, and department recommendation. Departments will offer testing in June to determine placement in a higher level class. Successful completion of all assigned summer work is required for final placement in an AP class. Additionally, a student must maintain at least a C- each semester to remain in an AP class. Students must maintain a B average each semester to remain in an honors class. Final decision for placement in honors/AP/dual enrollment classes is made by the departments in consultation with the assistant principal.

Bourgade Catholic High School does not grant credit for concurrent enrollment classes. Concurrent enrollment classes are courses offered on an in-person or virtual college campus. If a student chooses to take a concurrent enrollment class, the class will not be reflected on the BCHS transcript. A student is welcome to submit the college transcript along with the BCHS transcript on future applications. BCHS can grant credit in dual enrollment courses. Dual enrollment courses are college-credit granting courses taken through an agreement between BCHS and a partnering college or university. These courses are taken at and approved by BCHS; therefore, they are reflected on the student's official BCHS transcript.

C. Academic Status

In order to earn the minimum credits necessary for graduation and re-enrollment to BCHS:

- 10th graders must begin the fall term with 6 credits, 4 in core classes (English, math, science, and theology). The first world language credit is typically earned during the freshman year.

- 11th graders with 12 credits, 9 in core classes (English, math, science, social studies, and theology). The second world language credit is typically earned during the sophomore year.
- 12th graders with 18 credits, 14 in core classes (English, math, science, theology, and social studies). The fine arts credit is typically earned during the junior year.

Transfer students are not expected to make up the theology credit to be considered for enrollment.

D. Assignment Policy

Assignments are an expectation in all courses at BCHS. Assignments include, but are not limited to, practice, reading, written work, research and projects, and they are posted in the learning management system (Canvas).

Assignments due on the day of a field trip or athletic event must be turned in prior to leaving campus for the event.

Late Assignment Policy

Because BCHS is always teaching and assessing its ISOs which state that students will exhibit organizational and time management skills, each department has articulated a late work policy reflected in each course syllabus. Students are required to submit late materials as soon as possible to receive appropriate teacher feedback on performance, particularly in content areas where curriculum content is sequential (for example Math and Science classes). Students are allowed the number of days absent to make up and turn in assignments missed during the absence. Students are expected to check their courses on Canvas for upcoming assignments and communicate any questions or needs with their teacher. This policy applies to absences due to illness as well as unforeseen absences.

E. Grading Scale

Numeric Score	Grade Equivalent	GPA	Honors Weighted GPA	AP Weighted GPA

F. Grade Point Average Calculation

The GPA is a very important calculation for portraying student success in the academic curriculum at Bourgade Catholic. Therefore, it should justly and consistently represent the level and challenge the student has undertaken and achieved. In addition, a student should have an incentive for earning the highest grade possible when taking a credit or grade recovery course.

1. Students who undertake the demanding, college level work of honors, Advanced Placement, or college dual credit work will earn additional points toward their GPA as shown in the above chart in section E.
2. If a student retakes a course semester, s/he will receive credit for the highest grade earned for that course semester, and the highest grade earned will be used in the calculation of the GPA. The student will receive no credit for her/his lowest course semester grade when a course semester has been retaken. Therefore, credit will be given only once for each course semester. If a course is repeated due to grade or credit recovery, both grades for the course appear on the student's permanent record. Repeating a course does not remove the first grade.

G. Semester Honor Roll

Honor roll is based on the weighted GPA for the semester grading period.

- **First Honors:** GPA of 3.75 or better
- **Second Honors:** GPA of 3.25 through 3.749

A grade of D or F disqualifies a student from honor roll consideration.

H. Grade Prerequisite for Advancement to Next Course Level

At Bourgade Catholic, a grade of D- or better in any semester course receives credit. Honors, Advanced Placement, and college dual credit courses require a college recommending grade of a C- or better to remain in the course track.

Students who receive a passing grade (D- or better) in a college prep level or support level course at the end of any semester will be deemed as having successfully passed the course for that semester. Honors, Advanced Placement, and college dual credit courses require a college recommending grade of a C- or better to remain in the course track.

- Students who receive a failing grade (F) in any course necessary for graduation at the end of any semester may be required to retake the course for that semester before being enrolled in the sequential coursework.
- The student will be responsible for additional tuition to retake a semester in which a grade of F was earned. Currently, this additional tuition is determined by the curriculum content provider of the online course.
- Repeating a semester course may take place in an on-line format, an off-campus traditional classroom environment, or through summer school if the course is approved by the Academic Council.
- Students who earn a D +/- in a semester course may be strongly encouraged to repeat that semester course if it would strengthen the student's skills and competencies (a grade of A, B, or C).
- The student will be responsible for additional tuition to retake a semester in which a grade of D +/- was earned. Currently, this additional tuition is determined by the curriculum content provider of the online course.

I. Graduation / Baccalaureate Participation

1. Students must meet all educational credits, financial and disciplinary obligations prior to graduating from high school. Students deficient in credits to graduate but who have met financial obligations may participate in baccalaureate exercises (Diocesan Handbook 3-1.4.40).
2. Students may participate in commencement ceremonies once she/he has completed the required program of studies. Students are required to adhere to specific graduation etiquette and guidelines which will be outlined by the school.
3. A student may be excluded from participation in the commencement exercises for reasonable cause but will not be denied a diploma.
4. International students in a GAP year experience may participate in commencement and baccalaureate ceremonies and receive a certificate of program completion.

J. Valedictorian and Salutatorian

BCHS does not publish or calculate class rank except for the express purpose of determining the valedictorian and salutatorian at the end of students' senior year. To initially qualify for valedictorian or salutatorian, a student must meet the following criteria:

- Have attended Bourgade Catholic High School for at least three years
- Have successfully completed AP, Honors, or Dual Credit level courses (when available)
- Have taken either the SAT or ACT.

Having met the criteria listed above, the next qualification to determine the honor of valedictorian is attaining one of the top 10 highest Weighted Cumulative Grade Point Average (WCGPA). The school will then invite the students with the top 10 highest WCGPAs to apply for the honor of being named the school valedictorian and salutatorian. Other factors taken into account include exhibiting the root beliefs, mission, and ISOs of Bourgade Catholic High School.

K. Speakers for Graduation

BCHS holds the speakers at commencement to be the valedictorian and the president of the Student Council Executive Board. In the event the students who have earned that honor are unable to speak at commencement, they may defer the honor of speaking at commencement to another student. Upon hearing from the valedictorian or president that they are unable to speak at graduation, the school will offer the opportunity to speak at commencement to the salutatorian. If the salutatorian is unable to speak or is already speaking as the President of the Executive Board, the administrative team along with the Academic Council will offer the role to another applicant for valedictorian.

L. Bourgade Scholars

Bourgade Scholar is a recognition of excellence in academics bestowed on students who have demonstrated academic excellence over the four years of study at BCBS. Bourgade Scholars have maintained a cumulative weighted GPA of 4.0 or higher **per semester**. Students who earn the honor of being named a Bourgade Scholar are recognized at the school's academic awards ceremony and receive a medallion to be worn at commencement.

M. Class Changes

Parent/students:

- May request schedule changes in the two weeks prior to the first day of the semester. Students must complete a schedule change request form with an appropriate academic rationale approved by the assistant principal prior to the schedule change. No parent or student initiated schedule changes will be made after these dates.
- It may not always be possible to make requested changes due to the impact on other classes.

Teachers may request schedule changes up to the second week of each semester. No student may leave a class or begin a new class until a corrected schedule is provided by their counselor.

N. Semester Examinations

Students are required to take all final exams on the day and time assigned by the assistant principal.

Late exams date(s) will be scheduled and posted. Students should contact their counselor to schedule a late exam if needed.

Exams may not be administered unless tuition is paid and all obligations, financial and otherwise are met, even if the students' failure to take that examination may result in an incomplete or failing grade. (Diocesan Handbook 3-1.4.40(A)). This includes returning all school property, textbooks and athletic equipment, paying all fines, and serving all community service and/or detention hours.

O. Senior Exam Exemptions

Seniors are eligible for second semester final exam exemptions if currently holding a grade of 93.00% or higher in a course that requires a final exam. No exemption will be granted to a student unless tuition is paid and all obligations, financial and otherwise are met. Additionally, textbooks must be returned, all fines paid, all consequences served and all equipment and property of BCHS must be returned to the school.

P. Summer School

Summer school at Bourgade Catholic High School is composed of:

- Reading and math skill building
- Credit or grade recovery courses
- Enrichment courses

Skill Building Courses

1. Incoming freshmen are required to take the High School Placement Test (HSPT) as part of the admissions process. Students who score below the 30th percentile, or who have reading and/or math scores below grade level may be required to attend summer school skill building courses at Bourgade Catholic High School as a condition of acceptance.
2. The summer school skill building courses for incoming freshmen are non-credit courses. The objective of these courses is to work with students and strengthen their skills to help them be successful at Bourgade Catholic High School.

EXPECTATIONS

3. Students who attend summer school skill building courses are expected to attend class each day. A student may not be absent more than two days (or a total of 8 hours) in order to successfully complete the summer school skill building course.
4. Students who are absent for more than two days (or a total of 8 hours) and have not met the summer school learning, behavior, and self-advocacy expectations may lose their conditional acceptance, may be placed on a contract (academic, attendance, etc.) to begin the school year, or may be required to complete other opportunities to demonstrate learning.
5. While the course does not grant a student credit, grades are given for the course, but are not included in the overall GPA. Student progress will be evaluated throughout the course; the instructor will make a placement recommendation at the end of the course; and the administration will determine final enrollment status.

Credit or Grade Recovery Courses

1. Credit or grade recovery courses are provided during the summer school session. If a course is repeated due to an F or D, both grades for the course appear on the student's transcript. Repeating a course does not remove the first grade. The highest grade is entered into the computation of the student's grade point average (GPA). Credit is awarded only one time.
2. Credit or Grade Recovery courses are full semester courses that are administered online.
3. Students enrolled in credit or grade recovery courses meet Monday through Thursday of the summer school session from 8:00 AM – 12:00 PM. The class facilitator provides students with a pacing guide but students are allowed to work at a faster pace. Therefore, students may finish the course sooner than the allocated time.
4. The norm for summer school enrollment is for the student to be enrolled for a credit or grade recovery course the summer immediately following the semester when they did not receive the necessary credit. In the event that a student did not receive the necessary credit in more than one semester and/or in more than one course, the student will be enrolled for one semester during the summer school session and enrolled for the other semester during the following academic year. With approval from the assistant principal, a student may take the needed credit or grade recovery course the following summer as long as the student is current prior to the start of the student's senior year. Approvals to take a needed credit or grade recovery course the following summer instead of the second semester (in effect, avoiding "doubling up" during a school semester) must be documented by the counselor with an agreement signed by the student and the student's parents indicating that they understand the requirement to be current by the student's senior year. Agreement will be stored in the student's academic file.

EXPECTATIONS

5. Credit or grade recovery courses are reflected on the student transcript. Students enrolled in a credit or grade recovery course must receive a college recommending grade in a course that lists a college recommending grade as a prerequisite for advancing to the next level. Students must receive a passing grade in all other credit or grade recovery courses. The summer school credit or grade recovery course must be 100% complete by the end of the summer school session for students to receive credit. No credit will be awarded for incomplete courses.
6. Students enrolled in a summer school credit or grade recovery course are expected to attend class each day. A student may not be absent more than two days (or a total of 8 hours) in order to successfully complete the course. Students who are absent for more than two days (or a total of 8 hours) may lose credit. School uniform and dress code policy are to be followed for the summer school session.

Enrichment Courses

1. Enrichment courses may be provided during the summer school session for students to either get ahead in a particular discipline or take a class that is not normally offered during the summer school session.
2. Enrichment courses are offered based on demand and the school's ability to provide the course. A summer school bulletin goes out in April indicating the enrichment courses that will be available to students.

EXPECTATIONS

3. Enrichment courses are for credit and the grade is reflected on the student transcript. Students enrolled in an enrichment course must pass the course to receive credit. The summer school enrichment course must be 100% complete by the end of the summer school session for students to receive credit. No credit will be awarded for incomplete courses independently of the grade average received.
4. Students enrolled in a summer school enrichment course offered through the online format are expected to attend class each day. A student may not be absent more than two days (or a total of 8 hours) in order to successfully complete the course. Students who are absent for more than two days (or a total of 8 hours) may lose credit. School uniform and dress code policy are to be followed for the summer school session.

Q. Transcripts

Requests for transcripts of credits are made via the BCCHS website. Financial obligations must be met before transcripts can be mailed.

R. Independent Study

Independent study is a designated, proctored period for a student working on an online course.

S. Enrichment Trips

BCCHS recognizes the importance and value of trips for educational field study. Field trips are a privilege. Students attending a school field trip are required to complete an off-campus permission form (Diocesan handbook 3-1.2.06 B). This form must be turned in to the teacher in charge of the trip three days prior. A faxed or emailed copy of this signed form may be accepted as permission. Phone calls will not be accepted as permission for students to attend off-campus trips.

T. Counseling Department

1. Guidance counselors have information pertaining to students and their families that needs to be held in confidential files. Some circumstances may require counselors to share information obtained in guidance sessions, on a need to know basis, **without parental consent**.
2. Confidentiality cannot be guaranteed under the following circumstances:
 - Threats of suicide or serious physical harm to self or others.
 - Court order to release records or other information about the student's guidance, including test results, evaluations, attendance and progress.

- Suspected or known abuse, neglect, or exploitation of a minor.
- Referral to another professional, e.g., for the purpose of testing or evaluation.
- Consultation with or supervision by another counseling professional.
- Any situation where disclosure of information is required by applicable law.

U. Intervention

1. Because we are always learning, Bourgade Catholic seeks to ensure each student receives the support to be successful in their learning. By working together, we can help BCHS students achieve this goal. Furthermore, students who receive grades in the D range are also at-risk of not demonstrating mastery of skills and knowledge. The intervention period will provide a connection between teachers and students in need of support as well as proactively address student retention at BCHS. Intervention will also provide a consistent format to encourage students to build study skills and achieve the goal of graduation from BCHS.
2. Intervention occurs during the last two periods of the school day on gold schedules, the last period on orange schedules. Intervention provides instructional time with the teacher and encourages the student to build skills and complete missing work. Students earning less than C- in any course are required to attend intervention. **Missing intervention results in the following:**
 - 1st Offense: Detention
 - 2nd Offense: Friday or Saturday Day Detention
 - 3rd Offense: Academic Contract or other consequence determined by the assistant principal and dean of students

V. Technology Expectations

1. Increasingly, school resources are in a digital form, accessed via the internet. It is becoming more and more important that students have access to a computing device and internet connectivity to complete their schoolwork during class time.
2. Bourgade Catholic High School issues to each incoming student a new Chromebook device. It is expected that the student will utilize the Chromebook for the four years of attendance at Bourgade Catholic High School. The Chromebook is the property of the student, and the student is responsible for the care and condition of the Chromebook. Students will bring to class each day the Chromebook provided by the school.
3. Students may bring personal devices in addition to their school-issued Chromebook. Personal devices must be used in accordance with school policies and when in class, only at the direction of the teacher.
4. Bourgade Catholic High School does not service personal devices, and *we accept no liability* for students bringing personal devices to school.

Expectations

5. A protective case will be issued with the Chromebook. It is mandatory that a case is on the device at all times.
6. All devices must be charged and ready for use during every class. Forgetting to charge the device will not excuse the student from completing classwork. Limited charging stations will be available in each classroom. If the device requires charging during class time, it must be done in a way that does not inhibit the student or others from completing their work.
7. The Chromebook/device must be used as directed by the teacher.
8. If a Chromebook is broken or not working properly, it can be brought to the Tech Team in 305B for evaluation. A student should not attempt repairs. Any damage or malfunction will be the responsibility of the family. There are loaner devices available (subject to availability).
9. If a Chromebook is lost or stolen, it must be reported to the Tech Team in 305B and the dean of students' office immediately. Bourgade Catholic High School is not responsible for lost, stolen or damaged Chromebooks.
10. The serial number, barcode, and name labels must not be removed. These are used for identification.
11. The Chromebook must be stored and handled with care. Students should not drop or throw it (including when stored inside a backpack). Students should not eat or drink when using the Chromebook. Students should store the Chromebook and charger in a secure location.
12. The Chromebook must not be removed from the school management console and filters while the student is enrolled at BCHS.

13. The Chromebook should be taken home overnight, weekends and school holidays. The Chromebook should not be left in lockers, cars or other harsh environments.
14. Inappropriate media as background images, screensavers, profile pictures or Chromebook cases and stickers must not be used.
15. Students are required to have personal earbuds or headphones

Fines (A student will be fined only once per day.)

1. A \$5 fine will be imposed if the student does not bring the device to class.
2. A \$5 fine will be imposed if the device is without its protective case at any time.
3. A \$5 fine will be imposed if the device needs charging, but the user does not have the charger.

Replacement Costs

Chromebook; either lost or stolen - \$295 for a new replacement

1. Chromebook: damaged – cost of repair
2. Power cord; either damaged, lost, or stolen – \$25
3. BCHS protective case; either damaged, lost or stolen– \$25

III. APPEARANCE

A. Philosophy. *Excellence happens intentionally. All are welcome.* The dress code of Bourgade Catholic High School has four purposes:

1. Because we are created in the image and likeness of God, we foster self-respect.
2. Because we are created for community, we are a symbol of our Triune God.
3. Because excellence happens intentionally, we encourage students to dress for professional success.
4. Because all are welcome we seek to eliminate the competitive differences of economic or social backgrounds.

Students are required to dress and be well-groomed at all Bourgade functions, including dances, in a manner which represents the school in a dignified, appropriate, and modest way. The school reserves the right to determine whether a student's dress/appearance satisfies the school policy. (Diocesan Handbook 3-1.4.20)

Students are expected to abide by all requirements of the dress code and be in uniform for the duration of the school day to include before and after school (7:30am-3:30pm). Students serving after school detention are expected to remain in their uniforms.

Sideburns must not extend past the mid ear. Unnaturally colored hair or extremely contrasted streaking is not allowed. Hair length must be blended, without a stark contrast in length. Trendy and/or unprofessional hair styles/accessories are not acceptable. Administration will have the final say on determining school appropriate hairstyles.

At times during the year, students are permitted out of uniform days. **BCHS faculty and staff reserve the right to interpret what is modest and appropriate out of uniform days include:**

Grooming and jewelry regulations still apply on out of uniform days. We ask the cooperation of parents in ensuring compliance with these guidelines **before** a student arrives at school on an out of uniform day or for a school event.

1. Spirit Shirt Days

- Students may wear their BCHS club or BCHS athletic team shirts as their uniform top with the regular uniform pants, shorts or skirts.

- Students may not return to the classroom until they are in compliance with the dress code.

3. Students may lose the privilege of dressing down.

IV. ATTENDANCE

A. Absences

Present for School Day

A minimum day is considered to be more than half of the day.

- Present for at least four periods on a 7 period day (eg, Green Schedule)
- Present for at least more than two periods on a four period block schedule day (eg, Blue Schedule)
- Present for at least two periods on a three period block schedule day (eg, Gold/Orange Schedule)

Reporting an Absence

Absence Procedures - Any absence, whether excused or unexcused, counts against perfect attendance.

The parent/ legal guardian:

1. **Will write an email from the parent's/guardian's email address or send a written note to the school to provide a written explanation of the absence or tardy. This is required for proper documentation of the absence and to be in adherence of State Law and Diocesan Policy (Diocesan Handbook 3-1.4.06).**
2. **In addition to the email/note, the parent/ guardian may call the school's office at 602-973-4000.**

If a parent/guardian does not notify school on the day of absence, the student will be marked truant. (See Letter G)

Arranging an Early Dismissal

1. Because classroom instruction time is limited and irretrievable, every effort should be made to schedule appointments outside of the school day.
2. A written excuse or email documentation from the parent/guardian must be presented to the front office **before school** to obtain an early dismissal slip for a doctor, dentist, or other appointment.

Extended absences other than illness

1. The parent/guardian presents a written notification to the front office **prior to the absence.**

Guidelines:

- The student is responsible to check Canvas for assignments.
- The work is due upon return to school.
- Failure to turn in work will impact the student's grade according to teacher course policies.
- Intervention may be required by the teacher when a student is absent.

Absence Guidelines

1. If a student is absent during the school day, s/he is not to be on campus before or after school.
2. If a student becomes ill during the school day, s/he should report to the teacher who will contact the front office. **Students may not leave the campus without parental permission.** A parent/guardian must sign out or authorize the sign out at the main office.
3. A student who is absent on test days assumes the responsibility for arranging a make-up test time. Making up a test may be denied if a student is repeatedly absent on scheduled test days.
4. Students are expected to follow their class schedules. A violation of this requirement renders the student truant and subject to all consequences for truancy. Post notification by a parent of a student leaving the school grounds does not negate the

truancy.

5. Intervention may be required by the teacher when a student is absent.

B. Readmission of Students after Illness

If a student contracts a communicable disease (e.g., pink eye, measles, ringworm, etc.), the principal (or designee) must follow state guidelines regarding the readmission of students. For the safety and general welfare of the Bourgade Catholic School community, parents/guardians are asked to abide by the following regulations regarding student illness:

1. **Fevers** – When the student has a fever or is sent home with a fever, the student will not be accepted back on campus until the student is fever free on their own for 24 hours. “On their own” means fever free without the use of medications which may subside the symptoms for a few hours but not eliminate the infection.
2. **Pinkeye** – In cases of bacterial conjunctivitis, the student may return 24 hours after the student started on eye drops or ointment. If it’s viral, then there isn’t much that can be done and they can be sent back the same day. It is recommended that a student who exhibits symptoms of pink eye seek medical attention and a note granting the student permission to return to school
3. **Vomiting** – A student who has been vomiting may be sent back to school 24 hours after the student has stopped vomiting.
4. **Strep Throat** – A student who has been diagnosed with strep throat may return to school after the student has been on antibiotics for 24 hours. If the student must continue to take antibiotics while at school the regulations for medications at school must be followed.
5. If a student is absent or tardy due to an illness or injury, the school shall require that the student’s parent or legal guardian provide a written explanation of such absence and tardiness. In such instances, the school shall have the right to require a doctor’s note prior to readmitting the student. All such written explanations and/or doctor’s notes shall be kept in the student’s file for at least a year. (Diocesan Handbook 3-1.4.21 (C))

C. Excused Absences -

1. Medical/Dentist appointments with written verification of the appointment (e.g. the appointment card or the signature of the receptionist on any form that shows letterhead and the phone number of the office) must be presented to the attendance clerk upon return to school.
2. Illness requires a follow-up note/email from the parent/guardian to be submitted to the attendance clerk upon return to school.
3. Required court appearance (prior documentation required)
4. College interview or visits (documentation required)
5. Extended absence due to illness; family emergencies, death in the immediate family - documentation is required upon return

D. Consequences of five or more Absences

Bourgade Catholic is an accredited college preparatory high school and abides by the Western Catholic Education Association standards for awarding credits. One credit is awarded for 120+ instructional hours in a course. When absences exceed 5 days per semester, students may be in danger of losing credit or disciplinary action. Therefore,

1. Three (3) unexcused absences in a semester will result in a Friday detention.
2. When students reach five (5) total absences in a semester, parents will receive an email titled “Attendance Alert.” These five (5) absences will include unexcused, excused, and required absences (such as COVID related absences). This email will be a communication tool only which will inform families of a student’s total number of absences. No disciplinary action will be taken due to this email. If all five 5 absences are unexcused the student will enter into an attendance agreement.
3. When a student reaches eight (8) total absences, a records review will be held by the administration to determine further action. Parents will be notified of this review via email which will happen for all students with eight absences including unexcused, excused, and required absences (such as COVID related absences). This review could lead to:
 - removal from the class / loss of credit,
 - required intervention,

- an attendance agreement, and/or
- no action (especially when a student has required COVID absences).
- When a student reaches ten (10) absences, an in person parent meeting will take place in which an attendance contract will be signed. If a student has required absences, especially due to COVID, this conference can be delayed to a greater number of absences at the discretion of the administration.

NOTE: Attendance Agreements and Contracts could include terms or requirements of:

- loss of credit (greater than 8 absences),
- community service,
- losing the privilege of participating in extracurricular (athletics, clubs, school events) activities, and/or effects on my status as a Bourgade Catholic student.

E. Tardy Student Procedures.

1. Late to School (LTS)
 - A student who is late for school must report to the Front Office.
2. Late to School Consequences per semester: (LTS)

3 LTS	Parents/Guardians will be notified via email when a student is Late to School a third time.
5 LTS	Students who are Late to School five times will serve a Friday Detention.
8 LTS	Students who are Late to School eight times will sign an attendance contract with their parents/guardians.
10 LTS	Students who are Late to School ten times could serve a suspension from student activities or serve other consequences as outlined in the contract. Students will also serve a Friday Detention.
15 LTS	Students who are Late to School fifteen times could be suspended from student activities or serve other consequences as outlined in the contract. Parents will be notified via email.
20 LTS	Students who are Late to School 20 or more times could lose credit due to class time missed. A review of student records will be held by the administration at this time.

3. Tardy to Class: A tardy to class is defined as being outside of the classroom without a pass when the bell rings. Passes are acceptable from Administration, Counseling, or Campus Ministry.
 - A student who is detained by a teacher or staff member must bring a note from that teacher to explain the delay.
 - Unexcused class tardiness will result in disciplinary action.
 - Classroom Teachers address disciplinary consequences for tardies that occur during periods 2-7. Students will be referred to the Dean of Students for repeat offenses.
4. Tardy to Intervention Period
 - A 1st offense will result in a teacher assigned detention.
 - A 2nd offense will result in an automatic referral to the dean of students who will assign an appropriate consequence.
 - 3rd and subsequent offenses will result in an automatic referral to the dean of students, and a Saturday Detention will be assigned.
5. Tardy records for all class periods will be maintained by the teacher and the attendance clerk.

6. Students who are tardy to class will not be allowed to participate in extracurricular activities on the day of the tardy.

F. Late to School (LTS) include instance of, but are not limited to, the following:

1. Oversleeping
2. Missing a ride to school
3. Car trouble, heavy traffic
4. Carpool late
5. Socializing before school
6. Printing materials in Learning Commons
7. Student who are LTS will not be allowed to participate in extracurricular activities on the day of the LTS

G. Consequences for Unexcused absences

- The student is considered truant and subject to all consequences for truancy. Post notification by a parent of a students' leaving the school grounds does not negate the truancy.
- The student is responsible to obtain homework and take assessments missed during the unexcused absence.

V. DISCIPLINE

Discipline shares similar roots to the word disciple which comes from the Latin word for “learn(er).” Blessed Basil Moreau, founder of the Congregation of Holy Cross which previously served as Bourgade Catholic High School’s spiritual leaders, believed that Christian education should prepare students to be strong citizens of this world and the next--Heaven. To accomplish this goal, Moreau explains that teachers “*do everything with strength and with gentleness: with strength because they are courageous and unshakable in the midst of any difficulties they face; with gentleness because they are tender and compassionate like Jesus Christ, the model for all teachers, who loved to be bothered by young people* (Blessed Basil Moreau, CSC, *On Christian Education*, 1856).” BCHS grounds its discipline in the living of its root beliefs; beliefs that, properly exhibited, will lead students to success in their communities as well as toward the universal call to sainthood. The Honor Code enumerated in this handbook guides students towards actions in line with these beliefs.

BOURGADE CATHOLIC HIGH SCHOOL STUDENT HONOR CODE

- Because we are created in the image and likeness of God, students continuously grow spiritually in their identity as a child of God.
- Because we are created for community, students conduct themselves in a manner at all school activities that will assure the well-being of other students and themselves.
- Because excellence happens intentionally, students become informed and adhere to the rules and regulations established and implemented by the school, while respecting the necessary exercise of authority by school administrators and staff in maintaining discipline in the school and at school sponsored activities.
- Because we are always learning, students maintain the highest possible level of academic achievement.
- Because excellence happens intentionally, students are punctual in attending school, classes, liturgies and extra-curricular activities.
- Because we are each called by name to a mission, students act responsibly either on or off campus, at all times and in all places, in a manner that will reflect positively on themselves and Bourgade Catholic High School.
- Because God is revealed through truth, goodness, and beauty, students refrain from misconduct or behavior that disrupts the educational process and environment.
- Because we are created for community in the image and likeness of God, students restore relationships when they are offended through contrition and reconciliation.

DISCIPLINE PHILOSOPHY - RESTORATIVE PRACTICES

Because we are created for community in the image and likeness of God, Bourgade Catholic High School is particularly attentive to times when relationships are offended or wounded. In situations when student actions cause injury to relationships, Bourgade seeks to use discipline practices that prompt students to reflect on the effects of their actions on relationships as well as ways to restore the relationship. This will often present itself in a two step process, first the student reflecting on which relationship needs to be restored, and then the actions needed to do the work of restoration. Students may be prompted to mend relationships with teachers, other students, parents, visiting schools or individuals, or the school as an institution.

Rules and Procedures

A. Classroom Dismissal

Any student dismissed from a classroom reports to the dean of students. If a student leaves the classroom without permission for any reason, the dean of students will be notified immediately, a parent is called, and appropriate discipline will be determined. 2. Destruction of Property

Students involved in the inappropriate destruction of their own property, another person's property, or school property will be liable for damage. Seniors may be subject to exclusion from end of year celebrations.

3. Forgery

Ongoing violations may jeopardize the student's continued enrollment at BCCHS.

Consequences include a minimum of one day in school suspension and a discipline contract. Ongoing violations may jeopardize the student's continued enrollment at BCCHS.

Any serious threat of physical injury against a school employee, student or anyone on school property must be reported to law enforcement.

7. **Sexting**

It is unlawful for a juvenile to use an electronic device to transmit or display a visual depiction of a minor that depicts explicit sexual material. It is unlawful for a minor to possess a visual depiction of a minor that depicts explicit sexual material and that was transmitted to the juvenile through the use of an electronic device. **A.R.S. 13-3553**

Sexting will result in a student's automatic placement on Disciplinary Probation. All evidence of sexting will be reported to law enforcement. **A.R.S. 15-515**

8. **Stealing**

Stealing is the act of taking another's possessions without their knowledge. Students should never leave belongings unattended on the BCCHS campus. The school is not responsible for lost or stolen items. This includes both physical and digital information stored on personal electronic devices.

The consequences for stealing may include an in-school suspension, restitution for the stolen item, and community service. Ongoing violations may jeopardize the student's continued enrollment at BCCHS. Seniors may be subject to exclusion from end of year celebrations.

9. **Threats**

A death threat, a threat of violence, or any words which may be construed as a threat, whether spoken or written, in jest, anger, or frustration, will be dealt with as a serious offense. 10. **Truancy**

The State of Arizona places legal responsibility for school attendance upon parents or guardians. Students are truant when they are absent from class, or off school grounds without permission of the school or prior parental notification. Any student, who forges a permission slip and is given an off campus pass, will be considered truant. **A.R.S. 15-803**

A student found to be truant will incur the following consequences:

- An absence will be recorded on the student's attendance record as truant and unexcused absent.

11. **Unacceptable Language or Media**

Vulgar, obscene, or inappropriate language or media will not be tolerated, whether, in gesture, writing, drawing, speech, or in digital format (downloaded or viewed). Students will be given at least a disciplinary notice and receive a consequence assigned by the dean of students.

12. **Harassment**

The Diocese prohibits all forms of harassment (e.g. harassment based on an individual's race, color, age, religion, sex, marital or veteran status, sexual orientation, national origin, ancestry, and disability), whether verbal, physical, visual or environmental. Any student who violates this policy will be subject to disciplinary action, up to and including required withdrawal.

Students should not engage in harassing behavior directed to any member of the school community. The school will treat reports of harassment seriously and will review and investigate such reports in a prompt, confidential, and thorough manner.

A report of harassment shall not create the presumption of wrongdoing. However, substantiated reports will result in disciplinary action, up to and including dismissal. Students who have filed false charges will also be subject to disciplinary action, up to and including dismissal.

Victims of harassing behavior or students aware of others being harassed on or off school grounds should contact the Dean of Students or other BCHS staff members in the following manner:

- The student should tell the individual causing the harassment that his/her conduct is offensive and must stop.
- Any student alleging harassment by an employee, volunteer, or other student, files a complaint on the Diocesan bully/harassment form which will be provided by the dean of students. The complaint should describe the perceived violation, name the perpetrator, and identify any potential witnesses to the incident.
- The complaint will be investigated, involving only the necessary parties. The right to confidentiality, for the complainant and the accused, will be respected consistent with the law and with the necessity to investigate.
- If warranted, the alleged harasser will be suspended during the course of the investigation
- Once the facts have been gathered, the dean of students, in consultation with the principal, will decide what

disciplinary action is warranted.

- Students should always be aware that suspension or required withdrawal may be the immediate consequence of Harassment (Diocesan Handbook 3-1.4.30).

13. **Bullying**

Bullying policy:

- (policy 3.1.4.30, diocesan handbook of policies, procedures and norms for catholic schools) the diocese strongly opposes and prohibits all forms of bullying. Any violations of this policy will be subject to disciplinary action, up to and including termination or required withdrawal.
- It is the policy of the educational programs of the Diocese to maintain a learning environment that is free from any type of bullying (as defined in Section 2 below). The educational programs of the Diocese shall take reasonable steps to ensure that no student associated with these programs is subjected to any type of bullying.
- It shall be a violation of this policy for any student to commit an act of bullying against another student.

Definition of Bullying:

"Bullying" is any aggressive and unwanted behavior by a student or group of students that:

- is intended to harm, intimidate, or humiliate the victim;
- involves a real or perceived power imbalance between aggressor and victim;
- and is repeated over time, or causes severe emotional trauma.
- "Bullying" includes cyberbullying.
- "Bullying" does not include ordinary teasing, horseplay, argument, or peer conflict.

Procedures:

- Any person who alleges bullying by student shall file a complaint in writing by providing a completed "Bullying/Harassment/Hazing Prevention and Intervention Incident Form" (See Appendix A.6 of the Diocesan Handbook) directly to his or her teacher, immediate supervisor, or principal. The complaint shall describe the perceived violation, name the perpetrator, identify any potential witnesses, and provide such information as set forth in such form.
- Allegations of hazing reported in accordance with this policy are taken seriously and will be appropriately investigated in a timely and professional manner.
- The educational programs of the Diocese prohibit and will not tolerate retaliation against an individual for making a good faith complaint of hazing, or for cooperating with the investigation of such a complaint.
- Anonymous reports or complaints generally will not be accepted or investigated due to concerns about reliability and the inability to effectively, thoroughly and impartially investigate.
- Information will be treated with discretion and with due regard for confidentiality, both of the complainant and of the accused, with the understanding that information will be disclosed as necessary or appropriate to investigate allegations of misconduct and to take corrective action when this conduct has occurred. The standard for determining whether conduct constitutes a violation of this policy shall be made by the school administration in its reasonable judgment. It is not necessary to make a showing that the victim was psychologically harmed.

14. **Hazing**

Hazing policy: (policy 3.1.4.30, Diocesan handbook of policies, procedures and norms for catholic schools) the diocese strongly opposes and prohibits all forms of hazing. Any violations of this policy will be subject to disciplinary action, up to and including termination or required withdrawal.

- It is the policy of the educational programs of the Diocese to maintain a learning environment that is free from hazing (as defined in Section 2 below). The educational programs of the Diocese shall take reasonable steps to ensure that

no student associated with these programs is subjected to any type of hazing.

- It shall be a violation of this policy for any student to commit an act of hazing against another student.

Definition of Hazing: Hazing is defined as any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student or students, and in which both of the following apply:

- The act was committed in connection with an initiation into, an affiliation with, or the maintenance of membership in any organization that is affiliated with an educational institution; and
- The act creates or contributes to a substantial risk of potential physical injury, mental harm or degradation, or actually causes physical injury, mental harm or personal degradation.

15. **Tobacco/Smoking: BCHS is a tobacco free campus.**

Any form of tobacco use (i.e. smoking, vapor, or chewing) or possession by minors is illegal. Violations will result in a three day external (out of school) suspension (ESS). In addition, because nicotine and other drug use are often related, a drug test (urinalysis and/or hair-follicle test), is required within 2 hours at the student's expense. **ARS 36-798.03 prohibits smoking on School campuses. ARS 13-3622**

16. **Drug and Alcohol Use**

Incidents involving drugs/alcohol on the BCHS campus or at school related activities will be reported to law enforcement. **A.R.S. 13-3411F**

BCHS prohibits the illegal use, possession, distribution, manufacture, or sale of any controlled substance, drugs, drug paraphernalia, or alcoholic beverages by individual students or by student organizations at any school event, on or off campus. Any violation of our drug and alcohol policy will be subject to appropriate school disciplinary procedures, up to and including required withdrawal.

Bourgade Catholic reserves the right while on campus or at a school related function to require screening tests, to search lockers, cars, and backpacks. Refusal of a drug test may result in required withdrawal from BCHS. This policy also applies to students who are in the presence of others who have or are using drugs or alcohol, or who are under the influence of drugs or alcohol.

These procedures will be followed when drugs or alcohol are in question:

- An attempt will be made to contact parent/guardian.
- A drug test, as determined by administration (urinalysis and/or hair-follicle test), is administered at a school approved facility at the student's expense.
- An official report from the testing agency must be given to the dean of students.
- A student who tests positive or is in possession of drugs/alcohol will.
 - Serve a three day out of school suspension.
 - Enroll in a school approved, licensed rehabilitation program,
 - Provide documented evidence of participation in a rehabilitation program.
 - Agree to share follow up information with the appropriate school counselor or chaplain.
 - Submit to random drug testing over the remainder of this/her school career at Bourgade Catholic High School at the student's expense.
- Students trafficking or selling drugs on campus will be required to withdraw.

Self-Referral

It is important to encourage students who believe they need help with alcohol, tobacco, or other drug use to seek assistance from the school. A student who has developed a substance abuse problem needs professional help. A student who seeks

help from a school counselor, administrator, or teacher will not be disciplined as long as the referral occurs prior to a violation being witnessed or brought to the attention of school personnel.

Any student who takes the responsibility to seek help for his, her or another's use of alcohol, tobacco or other drugs will be supported by the administration, faculty and staff. Bourgade Catholic High School encourages all students and family members to seek appropriate help for the student's use, abuse and or dependence on alcohol, tobacco or other drugs. The school has in place names and numbers of several substance abuse professionals. Bourgade Catholic High School will observe strict confidentiality and do all that is possible to enable the student and families to get the help that they need and are seeking.

17. Off-Campus Activities

- BCCHS is not legally responsible or financially liable for the behavior of our students off campus. We expect our students to demonstrate responsible social behavior and to be good citizens in our local communities in accordance with the law, our honor code, and Catholic teaching. BCCHS students are expected to conduct themselves as representatives of the school community at all times, whether on or off campus, and whether in or out of uniform.
- Students will be responsible and accountable for their conduct online using both personal and school accounts/devices particularly regarding, but not limited to, interactions with fellow students, faculty, staff, or the school as an institution.
- Our honor code regulates behavior on school premises, at school-sponsored events, activities off-campus, and in locations where students represent BCCHS in an official activity such as a field trips, athletic contests, club activities, dances, etc. In addition, the school reserves the right to review and discipline any off-campus student behavior if the behavior violates city or state law, our honor code, our AUP, or negatively impacts the school's reputation including conduct via technology.
- If the school becomes aware of a charge alleging that a BCCHS student has violated a city, state, or federal law, while on or off campus, BCCHS reserves the right to institute a school investigation of that conduct. The student may be subject to disciplinary proceedings, without regard to any pending civil or criminal litigation, and regardless of whether any criminal arrest or prosecution has taken place.
- Upon receipt of a complaint alleging off-campus student misconduct, the dean of students will review the allegations to determine the school's jurisdiction over such conduct and determine the appropriate course of action to take against that student.

J. Student Confidential Report Form

BCCHS uses a Student Confidential Report Form to report serious breaches of the honor code, such as bullying, or other harassing or demeaning behavior. Signage throughout the school indicates the process to report incidents of inappropriate behavior.

K. Discipline/Referral Procedures

Pending specific circumstances, the following is a guideline that is generally followed for most infractions. (Diocesan Handbook 3-1.4.17)

Leveled Behavior and Consequences

The actions above and any activity, incident or progression of incidents, occurring on or off campus, which, in the judgment of the administration is a danger to the safety, the good moral order, and/or is incompatible with the philosophy and mission of the school, will be grounds for disciplinary action by the school. Student disciplinary items are grouped into, but are not limited to, the following three levels:

1. Level 1

The students' actions and behavior outlined in this level are generally those that are deemed non-supportive of the development of good personal & social boundaries and skills necessary in the school environment. These include, but are not limited to:

- Persistent dress code violation
- Eating/Drinking outside of permitted areas
- Improper use of technology (eg. texting in class)
- Inappropriate language or gestures.
- Repeated infractions of school or teachers' rules.
- Persistent tardiness.
- Violation of parking guidelines.

As determined by the teacher or the dean of students, students could be assigned to detention for a prescribed number of days.

2. Level 2

The student actions and behaviors outlined in this level are those deemed to disrupt in some way an ordered and peaceful class and/or school environment; or reflect the seriousness of a progression in a student's inappropriate behavior.

Examples of such conduct include, but are not limited to:

- Repeated Tier 1 offenses
- Improper use of technology (eg. using personal hotspots or other networks)
- Honor Code violation
- Chronic tardiness to school
- Disrespectful and/or defiant to a teacher/staff
- Disruptive behavior in the classroom/cafeteria/hallways
- Driving recklessly
- Fabricating excused notes with parent's/teacher's signatures
- No show to a teacher's detention.

As determined by the dean of students, a Saturday detention or in-school suspension could be assigned and a parent conference will be scheduled. During an in-school suspension, students may be assigned to serve the BCHS as the dean of students and custodial staff see fit and/or have the opportunity for reflection on an assigned root belief or ISO.

3. Level 3

The student actions and behaviors outlined in this level are considered to be a serious risk to either the physical safety or general well-being of the student, other students, adults or the school as a community; or they reflect the seriousness of a progression in a student's inappropriate behavior. Infractions in this level include, but are not limited to:

- Repeated Tier 2 offenses
- Serious offenses as outlined in this handbook
- All forms of intimidation, hazing, and bullying, including "cyber" bullying, or being a bystander to these incidents.
- Any incident involving drugs, alcohol, and/or banned/illegal substances.
- Fighting/Physical assault on or off campus.
- Severe misuses of technology (eg. pornography, sexting)
- Flagrant act of disrespect towards a teacher, administrator, staff, and all school-community members – this extends to all extracurricular activities.
- Publishing on paper, websites, social networking sites, text or instant messages or publicly voicing defamatory or slanderous statements naming or implicating any member of the school community.
- Theft/unexplained possession of stolen property.

As determined by the administration; behavioral hearing, suspension, probation through a behavioral contract and/or referral for possible withdrawal or expulsion could be assigned to these infractions. The appeal is to the principal whose decision is final. As each situation on a campus is unique, this handbook will be used as a guide for decision-making. But the finality of all decisions as they relate to the discipline of students and the consequences are at the discretion of the dean of students, assistant principal, and principal.

L. Disciplinary Progression and Documentation

For documentation of both positive and negative, teachers and administration will record the behavior on FACTS/Renweb using the “Merit” and “Demerit” functions, respectively. Teachers and administrators will follow the following steps if a student does not meet the set expectations for a BCHS student:

Because we are created for community in the image and likeness of God, students will work to restore the relationship that has been affected. Therefore, the “Actions to be Taken” below will be leveraged as opportunities for restoration rather than simply punishment.

Step	Those Involved	Action to be Taken
Step 1	Teacher and Student	The teacher will prompt the student, either verbally or non verbally, to self correct the behavior.
Step 2	Teacher, Students, Parent/Guardian	The teacher will contact the parent/guardian to describe the incident and the change that needs to occur. Documentation of the parent notification will be made in Renweb.
Step 3	Teacher, Student, Parent, Demerit 1	The student receives her/his first demerit in Renweb, parental contact, and teacher assigned consequence.
Step 4	Teacher, Student, Dean of Students, Demerit 2	After receiving a second demerit from a teacher/administrator/staff member, the student is referred to the dean of students for a meeting regarding the student’s actions and expectations for a Bourgade student. Parents are notified and the student is assigned a consequence by the dean of students.
Step 5	Teacher, Student, Parent/Guardian, Dean of Students, Demerit 3	After receiving a third demerit from a teacher/administrator/staff member, the student is referred to the dean of students. A meeting between the dean of students, the parents/guardians, the students, and teachers (if deemed necessary by the school) will take place. The student will receive a consequence to include a Friday or Saturday detention or in school suspension.
Step 6	Teacher, Student, Parent/Guardian, Counselors, Dean of Students, Principal, Demerit 5	The student, parents/guardians, dean of students, counselor, and teachers/principal (if deemed necessary by the school) meet to sign a Student Behavior Plan/Contract. The student may serve and in/out of school suspension. A disciplinary hearing may be called at this stage.
Step 7	Teacher, Student, Parent/Guardian, Counselors, Dean of Students, Principal, Demerit 6	A disciplinary hearing may be called at this stage. The dean of students/principal may recommend withdrawal or expulsion. Reasons for this recommendation will be given in writing. Appeals may be called for as outlined in this Student-Parent Handbook.

NOTE: Teachers and administrators maintain the right to skip to a certain step of this progression given the severity of the situation (see level 2 and 3 offenses above).

M. Academic Dishonesty

1. Academic dishonesty is defined as, but **is not limited to**, any of the following behaviors:

 - Plagiarism, the act of intentionally or unintentionally treating work done by someone else as though it were your own, copying portions of reports (including reports in books, encyclopedias and magazines from those written by other students, or from Internet/on-line sources) without giving credit to the people who wrote these reports. It is unacceptable to borrow a report (or pay another person to do your paper) and then hand in that work as your own.

1. A student who receives a detention slip from a teacher must report to the teacher issuing that detention *at the teacher's convenience* and for the required amount of time as set by the teacher.
2. Failure to report to the teacher or continued inappropriate behavior will result in a referral to the dean of students.

Q. Suspension:

Students are expected to turn in homework from the previous day and complete assigned work during the suspension. Students may not attend or participate in after school activities until reinstatement the next school day.
2. **Out of School Suspension (OSS):** Students are not permitted on campus for the length of the suspension. Students are responsible to complete and turn in work assigned during the OSS. All assignments must be submitted upon return to school.
3. Prior to returning to class, the student, her/his parent or guardian, and the dean of students will meet to discuss expectations for returning to class as well as steps needed to restore relationships harmed by the student's action. If applicable, those affected will be invited to join the meeting.

R. Hearings

Academic or disciplinary hearings are called for serious incidents or issues at the discretion of the administration. The committee is composed of the student's counselor, a chair from the administrative team, and invitees of the administrative team (ie Academic Council, appropriate directors, teachers, other administrators, etc.). The academic or disciplinary hearing will adhere to the following procedures:

1. Members of the administration will discuss the issue with the student and her/his parents/guardians.
2. The principal, assistant principal, or dean of students will call for a Disciplinary Hearing by inviting the student, her/his parents/guardians, and other members of the committee as enumerated above.
3. An agenda will be provided for the hearing. Typically the assistant principal is the committee chair for academic hearings, and the dean of students is the chair for disciplinary hearings. A sample agenda is provided below:
 - a. Prayer
 - i. Committee Chair
 - b. Introduction of Attendees and Review of Procedures
 - i. Committee Chair
 - c. Presentation of Information
 - i. Administration and invitees

 - e. Response to Information
 - i. Student and parents/guardians
 - f. Closing Comments
 - i. Committee Chair
 - g. Final Decision
 - i. (Date Provided)
2. After the meeting, the committee will meet privately—neither the committee chair nor the student (or family) will be present. Their recommendation will be presented to the principal via the committee chair. A final decision (or a new decision date) will

be provided to the student and her/his parents/guardians. Decisions are final. An expulsion or required withdrawal may be appealed through the Diocese of Phoenix Superintendent of Catholic Schools.

S. Reasonable Contact

The school administration is committed to maintaining a safe environment for all students and staff. In order to maintain the good order, safety and the welfare of the school community, situations may arise in which school administration or staff may restrain, redirect, escort or otherwise use such physical contact as is reasonable and appropriate under the circumstances to prevent a student from doing, or continuing to do, any of the following:

- Committing a criminal offense;
- Causing personal injury to, or damage to the property of, any person (including the student him/herself);
- Significantly disrupting the maintenance of good order and discipline at the school or any school function, despite receiving reasonable instruction to cease such behavior.

T. Dance Policies

1. All dances are restricted to Bourgade students and their approved guests. Each student is limited to one guest. All guests must complete a dance contract in order to attend Bourgade Catholic High School dances. Contracts are due the Wednesday prior to the dance. Prom and Homecoming contracts must be turned in one week prior to the dance. Students are responsible for the behavior and condition of their guests.
2. Those attending the dances are expected to dress in good taste. This includes guests. Dresses, skirts, and tops should all conform to the BCHS guidelines as indicated in this handbook. The school reserves the right to determine what is in good taste. Homecoming and Prom require students and parents to sign a dance agreement, which outlines dress and behavior guidelines.
3. Students attending the dance will be in the designated area. There is to be no loitering on campus. Failure to comply with school rules will result in dismissal from the dance, notification of parents, and a referral to the dean of students for appropriate action.
4. BCHS reserves the right to test every dance attendee for alcohol and drugs.
5. Students will enter dances during the first hour of the dance with their student I.D.; no admission will be allowed after that time. Students may not leave the dance until thirty minutes prior to the end of the dance. Re-entry will not be allowed. Chaperones will contact parents of students who are not admitted. Parents are asked to pick up students within fifteen minutes of the scheduled end time. Failure to comply with any or all guidelines may result in the denial of student attendance at future dances.

VI. APPEAL PROCESS

In all conflicts, efforts are made to resolve the issue in a spirit of fairness and justice by following the ordinary and regular communication channels between the people involved, i.e., parties in dispute attempt to resolve the conflict first. All effort should be made to restore relationships affected in the conflict.

1. If the conflict cannot be resolved to the satisfaction of the parties involved, recourse may be made at the next higher level of accountability such as the:
 - Counselors
 - Dean of Students
 - Principal
 - School Chaplain
2. If the principal requires, for whatever reason, that a student withdraw from the school, the student (if 18 years or older), or the parent or legal guardian of the student may appeal the principal's decision to the Superintendent of Schools. When a parent or student (18 years or older) wishes to appeal the decision of the school principal, the person will submit an appeal in writing to the Diocesan Superintendent with the following information: subject of the appeal, factual data appropriate to the issue, and any efforts that have been made to resolve the issue. The decision of the superintendent or designee is final and binding and concludes the appeal process. (Diocesan Handbook 3-1.1.16 (B))

Appeal of Other Serious Decisions

There shall be no right of appeal for a student, parent or legal guardian if the principal takes some disciplinary action toward a student other than the required withdrawal from the school. There shall be no right of appeal, for example, for the suspension of a student, or for detention. There may be occasions, however, where a principal's decision has serious consequences and the student (if 18 years of age or older) or the student's parent or legal guardian requests review by the Superintendent of Schools.

It shall be within the sole discretion of the Superintendent of Schools to determine whether to review the decision. (Diocesan Handbook 3-1.1.16 (C))

VII. CAMPUS MINISTRY

In order to fulfill our mission as a Catholic high school, Campus Ministry exists to provide our students and community with opportunities to grow in faith and encounter the person of Jesus Christ through prayer, sacraments and service.

A. Prayer

- **Daily Mass** – The school chaplain celebrates daily Mass in the school chapel. Special feast days, solemnities or other variabilities in the chaplain's schedule may cause a change in the daily Mass schedule; these changes will be posted on the school calendar when needed.
- **Adoration** – The school chaplain will incorporate Adoration of the Blessed Sacrament throughout the school year.
- **Class Day of Prayer** – Each year a Day of Prayer is provided for each grade level in place of a day of classes. Since the Day of Prayer occurs during a normal school day, participation is required. If a student is absent during one of these days, please refer to the attendance policy portion and the consequences (Attendance IV, Section A).
- Retreats – Students are encouraged to participate in optional overnight retreat experiences, including our BCHS ***Kairos Retreat** program which is available to Juniors and Seniors each year.
- The BCHS chapel is available for personal prayer every day from 7:30am – 3:30pm.
- The school day begins with prayer, and each class will also begin with prayer.

B. Sacraments

- Daily Mass is offered in the Chapel – refer to the BCHS calendar for specific times.
- Grade level/small group Masses – students will attend Mass with their grade and/or student small group each month.
- All School Liturgies – a Mass for the entire community will be held each month, particularly on Holy Days of Obligation and days of special importance, i.e., Ash Wednesday, end of the semester, Catholic Schools Week, etc.
- Confessions are available on Adoration/Confession days and by appointment.
- A Communal Penance Service is celebrated by the entire school each Advent and Lent.

C. Chapel

The Chapel is located on the second floor of the student services building. It is available to the entire BCHS community daily for personal prayer from 7:30am-3:30pm.

***Kairos**

The Kairos retreat is an important event in the life of a Bourgade student, and Bourgade Catholic High School wants all students to participate in this enriching retreat sometime during their high school experience. However, it is important that students are aware that these retreats occur over multiple school days and taking care of grades and other responsibilities are also of importance.

Kairos Retreat Participants

If a student is failing a course, the Campus Minister will notify the student's parents/guardians. The parents/guardians must give their written permission for the student to attend the retreat.

No academic, athletic or other punitive measures may be taken against a retreatant for any reason. Assignments and projects given to students prior to the start of Kairos must be submitted prior to attending the retreat, even if the due date occurs during the Kairos retreat. Assignments given while the student is on retreat are due within three school days of returning from retreat.

Kairos Retreat Leaders

A student retreat leader candidate who is academically ineligible may not participate in the retreat. The Campus Minister will notify the student's parents/guardians of any retreat leader candidate's ineligibility status.

VIII. ATHLETICS AND EXTRACURRICULAR ACTIVITIES

A. Athletics/Activities Overview: The purpose of the BCHS athletic/activity program is to develop the individual character and athletic skills of each person. We encourage incoming students to get involved in an activity or sport.

B. Athletic / Activities Participation

In order to participate in athletics or AIA sponsored activities, the student must complete the Athletic AIA activity packet. Athletic packets are available at the school's main office or at the Bourgade Catholic website. The student may not practice or be issued a uniform until all forms are completed and filed in the main office and cleared by the athletic director.

C. Expectations and Standards for Participation.

1. Students representing BCHS in extra-curricular activities have a personal responsibility to excel. When students volunteer for an extra-curricular activity in school:
 - They are asking for the privilege to be chosen.
 - They agree to conform to the requirements and rules adhered to by that activity.
 - They agree to represent the school.
2. Directly and indirectly, the conduct of students reflects standards, attitudes and the philosophy of the school.
3. At the beginning of each extra-curricular activity season, students and their parents are given written guidelines concerning the expectations for that activity. Students and parents alike are required to sign this document showing their understanding and acceptance of these guidelines. These guidelines may differ due to the nature of the sport or the activity, and are effective for the duration of the sport or activity.
4. Since the student represents the school, the guidelines may extend beyond the school day and school grounds. Violation of the guidelines may be grounds for suspension or required withdrawal from the activity or the school.

D. Academic Requirements for Participation in Extracurricular Activities.

Eligibility applies to all extracurricular activities; AIA sanctioned events, BCHS club events, field trips that cause a student to miss another class or field trip in general, or retreats where the student is an aide or leader. An ineligible student may not miss class time for any extra-curricular event. To be eligible for extracurricular activities, students may not have an F in any class. Students will also be ineligible if they have two or more D+/- grades in any classes.

1. Two weeks following any grade report, the student will do a grade check with all teachers.
 - The student will return grade check to counselor by 3:25pm.
 - Passing grades in all subjects are required for student to become eligible.
 - Student remains ineligible until the next grading report if s/he is not passing all classes...unless cleared by teacher, through counselor to the athletic director.
2. Ineligible students must attend intervention before or after school.
3. Ineligible students may attend extracurricular activities after intervention but may not participate in competition or performances during these two weeks.
4. Ineligible students may try out for a new sport or activity during the ineligible period after intervention.
5. Ineligible students during the first two weeks of ineligibility unless through the process above:
 - Must attend the intervention.
 - May not miss class time to travel with the team/club/activity group.
 - May not participate or suit up for a game.
 - May not be issued a team uniform.

E. Attendance Requirements for Participation in After-School Activities

Students must attend school on a regular basis in order to succeed. No student should use athletics as an excuse to intervention,

detention, or any other required school event.

The attendance requirement for participation in after school activities is as follows:

1. Students must be in attendance more than half the school day to participate in an after school activity (includes practices, games, rehearsals, performances, etc.). See attendance section of this handbook.
2. If a student-athlete is **put out of class by a teacher, the student-athlete MAY NOT participate** in an after school activity.
3. A student that is tardy to any period will not be allowed to participate on the day of the tardy.
4. A student who is LTS may not participate in extracurricular activities on the day of the LTS.

Exceptions to this policy:

1. No tardy will be recorded for students who miss part of the day for a documented medical/dental appointment (***The student must bring a signed note from the medical office as he/she returns to school.***)
2. No absence will be recorded for students who miss due to participation in school, conference, or state sponsored extracurricular activities.
3. The dean of students may grant exceptions to this policy.

F. Student/Parent Spectators Responsibilities

By purchasing a ticket to a BCHS school event and/or attending a school event, the spectator has assumed a responsibility for proper representation of Bourgade Catholic High School. These rules apply to all spectators, parents and students alike.

1. Appreciate and give proper recognition to the good in others.
2. Cheer positively and avoid “booing” and using abusive language and vulgarity.
3. Do not engage in any kind of intentional display of rude behavior toward members of the opposing team, home team, coaches, or game officials.
4. Respect and obey the officials’ decision as final.

Any actions or behaviors contrary to these rules may result in the following actions by the school:

1. Possible removal from the event
2. A corrective conversation (in person or digital) with the involved parties with written documentation of the incident
3. Sanctions to include suspension from team activities, suspension from attending a set number of athletic events, community service, a probationary period, or other consequences set for by the administration
4. An indefinite suspension from attending future athletic events

The school may follow these consequences as a progression or choose to skip steps in the progression depending on the nature of the behavior/incident.

G. Athletic Fundraising

Athletes are expected to participate in fundraising events with their team.

H. Team Masses

As a member of an extracurricular group or team, students may be required to attend daily Mass. Attendance will be taken by a coach or captain at these Masses. Members who do not attend may be subject to consequences from the coach, moderator, the athletic director, or the dean of students.

7. All students and their parents are obliged to abide by the rules and regulations outlined in this handbook. Parents and students will sign an acknowledgement form stating that they have received the handbook and intend to follow the policies. The failure of a parent or student to sign the form will not prevent the school from enforcing its policies and may result in disciplinary action being taken or prevent a student from enrolling (or continuing enrollment) in the school.
8. If a parent repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students, or displays disrespectful, disruptive or harassing behavior toward teachers, toward school staff, or toward the school, the school may take corrective action.
