How to obtain *recommended funds*:

The State of Arizona offers taxpayers a State Tax Credit for contributions made to qualifying STO's.

- Donors to these funds can **recommend** that their Arizona State Tax credit dollars be applied toward your student.
- A parent cannot contribute for the benefit of their own child. Many Bourgade Catholic families find donors through family members, business associates and friends.
- Married taxpayers can recommend up to \$2,269 of their Arizona State Tax dollars and single taxpayers can redirect up to \$1,135 by utilizing the **Individual Tax Credit and Plus Tax Credit** programs!
- 100% of the tuition cost is eligible for this scholarship.

Some STO's may accept 2018 or 2019 tax credit dollars recommended for 2018 or 2019 freshman students. These funds will be held for them and can be applied to tuition in August. Each student must be registered with the STO through an application process.

Please see the STO resource list for specific details of School Tuition Organizations (STO's).
