Describe what qualifies nominee; including any of their statistics for a season/career, details of their community involvement, or any other accomplishments:  
 I'm not sure this nomination can or will be accepted as it would be a posthumous nomination. Helen Burke worked for Bourgade Catholic High School from its opening year until at least 1975 and it could be into the 80s. I am unsure. I just know she was very dedicated and supportive and during her three children's high school years and many years following.  
 She ran the bookstore for many years and was well received by all the staff and students. You always knew if you visited the bookstore you would be welcomed with a smile and full dedication to your needs. In those early days Helen was the collector of monthly tuition, a task that could sometimes be difficult.  
 She was a quiet but very spirit filled. There was never a day that Helen didn't do her duty and always to include the Bourgade student body & faculty.  
 Bourgade was a loving family to her during the illness and death of her husband, Jack. She took great pride in being a part of that "family" and in all my years being around her I never heard her speak an ill word against our Alma Mater.  
 My Aunt Helen entered eternal rest on March 2010 but her memory will be with me always. As a freshman in 1967 she was the familiar face I looked forward to seeing each day and for the next four years.
