Sport(s) nominated for:

Baseball, but also all around encouraging students, not only baseball players to be serious about academics and moral living. This was for both young men and young women.

Number of years and letters awarded in each sport:

I do not have any idea - as I am nominating him for coach or community leader supporting the school and Catholic Education.

Awards won (team, league, media):

The baseball team won 1 State Championships (at least) and was second place in State twice in the 10 plus years he has volunteered his time, concern and leadership. In addition his help with students in both guidance, academic encouragement, and financial help is very noteworthy. In addition his time given to the Annual Fund committee in support and leadership is outstanding. His wife was also very supportive in these endeavors.

Team(s) performance:

Baseball

Team Captain/Leadership characteristics:

Does not apply

Academic Standing:

Very definitely insists on academic performance.

Other Information:

A firm believer in Catholic Education. His own family was Catholic School educated and he has continued to support Catholic Education K-12 and beyond.
